

The Edge of Never

The hottest New Adult novel that everyone's talking about - and you're already dying to read - a NEW YORK TIMES, WALL STREET JOURNAL and USA TODAY bestseller. Twenty-year-old Camryn has always felt different from everyone else around her - not content to be tied down by life's conventions, she's always known that she wants a life less ordinary. But when tragedy forces her to abandon her plans, she vows never to let her walls come down again and never to fall in love. But one night in the hottest club in town, her world is turned upside down. Desperate to escape, Camryn packs up the bare necessities and boards the next Greyhound bus leaving town, to find the true self she knows is out there. What she finds instead is a young man who is more like her than she knows. Andrew Parrish needs to find himself too, and harbours his own dark secrets. Zig-zagging across the country together, Camryn finds herself doing things she never imagined, as Andrew shows her what it's like to live by your own rules and what it feels like to give in to her deepest, darkest desires. Before she knows it, he's become the centre of her world. But as the electric love and lust between them intensifies, a dark shadow is looming. Will Andrew's secret push them together or tear them apart?
