

## The Elusive Jillian Wilson (Siren Publishing Allure)

[Siren Allure: Erotic Contemporary Romance, spanking, HFN] Waking up naked and chained with her hands over her head was not something Jillian Wilson had expected to happen in her lifetime. This is all the fault of that Oliver family. Now she has to save herself and the sexy head of the Oliver clan, Vincent Oliver, from the basement of a burning building. All she has to do is get out of the cuffs and off the hook holding her off the ground, save Vince, and get on with her life, right? Vince wakes up cradled in a woman's embrace with a nipple resting on his bottom lip. What else would a red-blooded man do other than take the invitation? \*\* A Siren Erotic Romance
