

Never Enough (Volume 2)

Hes going to win her back. He has to. And she clearly still cares about him. But, can he do it? Can he get past her defenses and have her see that all his choices were done out of fear of losing her? Now that Joanne knows about their linked past and the betrayal is out in the open, David vows to restore their love. And, for a while, it seems like fate has stepped in to help David with a second chance. But, will David tell Joanne the truth about what hes hiding this time around? Or will their love falter when more obstacles are thrown at them? One things certain, David will never get enough of Joanne, and hes willing to fight.
