

A Million Wishes

Mikayla Johnson... Growing up in a poor, abusive household after her father is killed in a car wreck; Mikayla had very few things in life that gave her joy. Her writing, the old oak tree, her big brother Callum and her childhood crush Noah. Could he help her heal from her past and give her the family she has always wanted? Noah Cane... Noah is a Navy seal war hero coming home to the Georgia peach plantation he was raised on to recover from losing his leg in war. His heart was stolen by Mikayla the moment they met under a peach tree where she was stealing peaches off his parents property. Can she help him heal from his injuries and give him something worth fighting for? Join Mikayla and Noah on a whimsical journey of love, passion and the discovery of what they were truly meant to do with their lives. Sit back and enjoy their playful banter and intense loving while they show the town of Sugar Creek what it really means to have a heart of gold.
