Rose Falcons parents had a very good reason when they asked her to stay away from Leo Flanagan, a boy in her year at Compass Court Boarding School. And for five years Rose managed to keep her distance from Leo. But in her sixth year she seems unable to escape the attraction flaring between them. Perhaps no one need ever know. They could date in secret and just let the relationship run its course. Its a relationship clearly doomed to failure, they should go back to staying away from each other, if they could just stop kissing! A Young Adult Romantic Comedy.
