

A Royal Fortune (The Fortunes of Texas: Cowboy Country)

His kingdom for a cowgirl! They go together like chutney and barbecue. High tea and hot sauce. You couldn't come up with a more unlikely twosome than Jensen Fortune Chesterfield and Amber Rogers. So when the paparazzi catch the Fortune heir in a lip-lock with the free-spirited rodeo rider, Horseback Hollow goes wild. What is really going on here? Princes only fall for commoners in fairy tales, but who could blame Amber for crushing on Jensen? The sweet cowgirl can see the big-hearted man beneath that buttoned-up Brit. Could it be that the simple life of the Hollow is exactly what Jensen needs? If only she can find a way to get him to see how she truly feels and rope this aristocrat for keeps!
