

The Fourth Book Of Lost Swords : Farslayers Story (Saberhagens Lost Swords 4)

Long, long ago, the Gods forged Twelve Swords of Power, each with a unique and deadly quality. They forged too well, for the swords could kill the Gods themselves. Then the swords were lost, scattered across the land; and many are they, both good and evil, who are desperate to find them again. This story is of Farslayer, the sword that can kill from across an entire world. The game is fierce; the prize is the sword. The players are Black Pearl, an ensorcelled mermaid, and Cosmos her treacherous lover; Prince Zoltan and Prince Mark; the evil macrowizard Wood; and an enigmatic woman who arrives astride a griffin.
