

The Garbage Collector: Recalibrate My Love Series

For all of the women out there who never quite feel like theyre enough. For all of the women out there whose men are leaving them feeling a little lacking and leaving them hungry for more, comes: Recalibrate My Love Series... The 1st Novel: The Garbage Collector Eyes meet; spirits link-Boom chemistry. A million & 2 men-nothing. Suddenly 1 is before me- BAM one look; a curl of his lip- a flare of his nostrils; I have goose pimples. Something inside of my belly melts. Im tied to this man and he possesses me spiritually. Twinkle was living alone in that big old drafty house missing her mom and afraid of opening up and loving; Tony needed someone to believe in him and give him a chance to be the kind of man that he knew he could be. What happens when a bitter, mistrustful woman meets an ex-con needing a place to stay? The 2nd Novel: Sometimes Its Only Sex Princess Atakisis is a 30 year old assistant professor of a college who falls in love too easily and puts more effort in picking out her clothes than the men whom she allows into her life. Chris Rock aka Body Language is a 25 year old exotic dancer/ stripper who happens to be raising his 4-year old daughter. For him, women and sex are passe- been there done that. On the outside he looks like the average man and women mistakenly judge him based on his cover. However hes looking for a deeper and more meaningful relationship with a woman; just like he had or better with his daughters mother before she passed. If you would like, take a sneak peek at this brand new novel as it is in the process of being written. Sometimes its only sex and we need to ask God to give us the wisdom to know the difference. From the new Recalibrate My Love Series comes a novel about learning to be more than enough first for ourselves and learning to love the me who I am. Meet Princess Aptakisis and Chris Rock in the highly charged erotic
