

## The Ghost and The Graveyard (Knight Games Book 1)

Life is full of difficult decisions! Book 1 of 4 in the Knight Games Series Grateful Knight isnt looking for love when she moves into a rent-free house on the edge of a graveyard. At twenty-two, all she wants is to recover financially so she can move back to the city where she belongs. But sparks fly when the gorgeous cemetery caretaker, Rick, introduces himself and mentions his suspicion that her new house might be haunted. Her attraction to him seems supernatural, and despite her resolve to not get involved, she literally cant keep her hands off him. When things in Gratefuls house start moving on their own, another man enters her life, Logan, a sexy ghost with a dark secret. He says Rick isnt what he seems, and indulging her passion for him could cost her soul. One things for sure, magical forces are at work in the tiny town of Red Grove, and theyre converging on Grateful. Life will never be the same once shes forced to choose between the ghost and the graveyard. Dont miss the other books in The Knight Games Series!
