

The Hostage (RC Investigations Book 3)

The best new romantic suspense voice of 2012! ~Debra Webb, bestselling author of the Faces of Evil series What happens when the hunter becomes the hunted? Former Special Forces analyst, Eva Battaglia, used to be the hunter. Now, in the quiet town of Haleswood, SC she blends her linguistic and computer skills as the team analyst for RC Investigations. When someone from her Army days decides to exact revenge, she goes from being the hunter to the hunted in a matter of days. J.C. (Carson) Morris is proud to serve his hometown of Haleswood as a sheriff's deputy. When asked to serve as Eva's bodyguard and keep both the threat and the assignment a secret from her, it's no hardship to stay close to her. But when a sniper shows up in Haleswood targeting Eva, the rules change. In an attempt to buy time, Carson takes Eva to a safe house, but will their attraction for each other mean sacrifice and death or a happily ever after? Also enjoy *The Thief* and *The Witness*, the first two romantic suspense novels from V.R. Marks.
