

The Girl in the Window

When the house next door goes vacant after the death of his neighbor, Josh Randall resigns himself to watching it deteriorate. Instead, it blossoms. All he sees of his new neighbor, though, is glimpses of a girl in the window - until one morning when he spies her walking across their yards to his paddock....and his other mystery. Hed bought the horse for its bloodlines as a harness racer, knowing it had problems. He just hadnt realized how many problems the horse had. Forced to consider selling it, the one thing he hadnt counted on was his mysterious neighbor. Can Josh help two wounded hearts heal each other?
