

The Handler

A new adult novel from Entangled's Embrace imprint...He promised he would never be an outlaw ...While searching for the member of an outlaw motorcycle gang who murdered his dad, Cain Allen is offered a boatload of cash to handle the stunning teen popstar Lincoln Todd. Although he doesn't need the headache of a high-maintenance celebrity, getting out of town will help him keep a low profile until he testifies against the other two killers. Touring Europe with Lincoln proves to be more complicated than Cain anticipated, and despite his efforts, the line between their personal and professional lives blurs. She's sweet, smart, and totally unpredictable. And he loves it. But Lincoln's association with Cain puts her in more danger than anyone could have imagined. When he joins forces with the Noir et Bleu Motorcycle Club to protect her, Cain discovers the lengths he's willing to go, and the person he's willing to become to protect the people he loves...
