

## Crushed (The Heart of Napa Series) (Volume 1)

CRUSHED, A story of wine and love In Napa Valley, he who has the best grapes wins. And in the pursuit of perfection, dreams and hearts can be crushed. Sophia Stone is a widow on the brink of an empty nest, stuck in an unsatisfying job managing the vineyard for a mediocre Napa vintner. Faced with an uncertain future she wonders how do you choose between making a living and making a life? Between protecting your heart and sharing it? Five years ago, after her husband was killed in an accident, Sophia put her heart and dreams on ice to care for those around her. Now her home, her dreams, and her family's legacy grapes are threatened by the greed of the new money moving into the Valley. Sophia has a choice give up and let them take what is hers, or risk everything fighting a battle everyone says she can't win. Nico Treviani has one goal in life: make brilliant wine. A woman would be an unwanted distraction. So, while recognized as one of Napa's premier vintners, Nico finds himself alone... until his brother's death drops not one, but two women into his life his thirteen-year-old twin nieces. In an instant, Nico gains a family and loses his best friend and partner in the winemaking business. Struggling to care for his nieces, Nico accepts a job as head winemaker for Avery Specter, one of the new-money crowd. And he learns the hard way that new money doesn't stick to the old rules. When Sophia Stone gets caught in the middle of Nico's struggle to remain true to himself or sacrifice his convictions to make stellar wine, both Sophia and Nico are faced with a choice they never imagined. A choice that might extinguish the hope of a future neither expected.
