

Tied & Bound

Talented chef and entrepreneur, Chloe Redmond, is recovering from disappointment and betrayal in love. Seeking a new life, she leaves London for the Cotswolds, a place of charm, beauty and hopefully a place for healing. Romance is not on her mind, but then she meets him. Tall, dark, mysterious and very sexy, Max. He is unimaginably hot, and possibly hers. Suddenly, she's caught up in a whirlwind relationship, but things are not what they seem. She knows he has secrets, things he won't tell her. But, can they survive or could another man rival Max for her affections. Could Martyn, a cocky, gorgeous, womanising man-whore, be the one to provide love long term for Chloe? Life and love can be confusing and overwhelming, but sometimes waiting can be worth the pain. Sometimes waiting can bring healing, love, happiness. 18+ for sexual content and language
