

The Infinitum Government (Box Set)

Infinitum Government Code 3.18.21.512: Genetic Experimentation Shall Be Strictly Forbidden Decades ago the people of Coni genetically engineered a race meant to help them. Instead of perfectly crafted assistants, however, they wound up with the Draconis, who possess unexpected power and ability and the ability to match with suitable individuals and exponentially increase their magics. But matching cannot be predicted, prevented, or undone, and they are matching with people all across the Infinitum Government... Some think the Draconis should be annihilated. Some think they should be an independent race and given their own home. The most powerful minds in the Infinitum Government are fighting for one side or another, including murders, chancellors, spies, even prison guards. Others are using the debate to further their own ends, and they will stop at nothing to see those ends are reached... ----- Not so long ago, Elton had a near-perfect life: loving family, successful business, and the prestigious position of Jeweler Troiseme of Mars. But betrayal and murder destroyed that life forever and now he and his sister have no choice but to be swept off to a different planet in the hopes of building a new life and leaving their past behind them. Before they settle into that new life, however, they decide to spend some time on Bangkok, the notorious planet of pleasure where they say all dreams come true...
