

The Jim Rohn Guides Complete Set

For more than 40 years, the legendary Jim Rohn honed his craft like a skilled artist, helping people all over the world sculpt life strategies that expanded their imagination of what is possible. He possessed the unique ability to bring extraordinary insights to ordinary principles and events. The text of this anthology is based on transcripts of Jim Rohn's most popular lectures and writings on the subjects of Time Management, Personal Development, Leadership, Goal Setting and Communication. As you read, you may recognize a familiar pace to the text. It is our hope that Jim's easy conversational tone and speaking style come across in your reading of each and every page. His life philosophies and success principles transcend the years and are as relevant today as they were when he first expressed them. These guides provide concise, easy-to-read accounts of the subject matter that can be finished in a short sitting. Highlight your favorite parts and keep them close for easy reference again and again.
