Shut off from his family, he lives only in a past that haunts his every breathing moment. But on the path to recover himself and move on with his life, he finds a woman hurt on his land. Something about this woman will not allow him to walk away. Instead he takes her in, even against his better judgment. A woman running from a horrible secret, Cassie Wilks has no place to run to and no family to help her. When she passes out on a troubled lycan's land, she decides she wants to learn more about this dark giant of a man. But time ticks by, bringing her dangerous secret closer and closer. Her attraction to the dark lycan brings sensual passion into play and brings forth new experiences for both of them. As Cassie's secret draws near, her passion pushes Darien to release his demons and embrace love. But will Darien be able to accept Cassie's salvation before time is up?

DARK SEDUCTION When a lunatic vampire escapes from prison, Dmetri Demidov is called in to help protect the Kategans. After all, out of all the Justicars he was the only one who used to have an intimate relationship with one of the Kategans. Dmetri's grumbling over having to babysit the Kategans is quickly extinguished though when he meets the pack's healer Christine Barrows. Suddenly Dmetri can't recall why he preferred chic, classy women when he sees Christine. She is rough, wild, and so sexy she drives him crazy. Having her once isn't enough, and for

whatever reason he wants more. Christine Barrows has one goal in life to mate with an alpha. When the sexy and exotic Russian vampire comes into the pack and chases after her, Christine doesn't know what to do. She loves the way she feels in his arms, loves disarming his cool facade, but she can't ignore her goal no matter how her heart feels. As the danger grows around the Kategans, Dmitri and Christine wind up in the middle of a dangerous game. Dmitri is forced by one short woman to question his feelings on the one thing he's never experienced--love. **TEMPTING WHISPERS** In the final installment to the Kategan Alphas series, Vanessa Kategan is a desperate woman. She's got no job, no money, no place to go and to top it all off she's on the run. That is, until she runs into the irritating, thought-consuming vampire Brayden. Now he's forcing her to accept his help and she takes it even knowing her heart is on the line. The vampire can make her body burn one minute and her temper explode the next. Yet, she's drawn to him like no other. Brayden lives his life by codes. One of those codes is to protect others who can't protect themselves. When Vanessa Kategan rolls into his town he can't deny the urge to help her, nor can he keep his hands off of her. Soon, the walls are closing in on them. Time is running out, people are showing up dead, and Brayden's not sure if he can keep Vanessa safe through it all. ~Discover more books by T. A.
