

The Last Cut: A Cassie Nash Novel (Pruitt County Mysteries Book 3)

Two women are dead killed by two individuals with two very different motives

Detective Cassie Nash gets called to a crime scene and what she finds there is unsettling. The victim is Adelaide Walton, Jeff Simpsons new girlfriend, and he instantly becomes suspect #1. Because of her relationship with Jeff, Cassie immediately finds herself transferred to a new case and she delves into the mystery of Rebecca Downeys murder. Was she shot to death by her husband, the towns sports legend? Or was Rebecca merely the victim of a robbery gone wrong? When Jeff turns to the only person who could help him, Cassie is dragged back into the case, working outside the system to prove her friend and sporadic lovers innocence. Not everything was as it seemed with Adelaide Waltons life. Could her secrets have led to her demise? Cassie desperately wants to believe in Jeffs innocence, but first she must prove it. Was this a random crime, or is someone trying to frame the playboy philanthropist? Cassie Nash returns in another page-turning thriller by Amanda Feyerabend.
