

The Last King: Book 1, Volume #5 - Episodic Novel

Twenty-eight year Emmy Hughes has never quite fit in---shes six feet tall, dark-skinned, and sometimes daydreams of being Galadriel or Legolas from Lord of the Rings. But when she is badly injured in a car accident that kills her mother, Emmy does not dream of fantastical worlds anymore, but wishes her shattered life would return to normal. Unfortunately, normalcy is the last thing in store for her once she meets Lake Georges newest arrival, Dr. Gilead Knightly. Granted immortality from a line of people whose Great Ancestor marched into the Garden of Eden and ate from the Tree of Life. But Gilead and his eccentric family are also hunted beings, because God considers the Edenites acquisition of immortality to be theft. And for thousands of years He has dealt with their transgression by sending each of them a Glitch ---an unsuspecting human meant to retrieve this stolen property and kill them off. When Emmy discovers that she is Gileads Glitch, she finds herself the target of Gileads vengeance: he must get rid of her before she gets rid of him. Easier said than done. Because Glitches are not only an Edenites greatest threat---theyre also their greatest love.
