

Clockwork Goddess (The Lesbia Chronicles Book 3)

In a world where strict royal matriarchy rules, order is kept by way of public thrashings, and magic is ferreted out wherever it hides, its difficult for a legendary witch like Ayla to get any peace.

All she wants is a quiet life in her little forest home. But with a warrior banging at her door demanding she take care of not one but two clever miscreants, one a herbalist who prefers nudity to clothing, the other a wily intellectual whose quiet demeanor belies a volatile temperament not to mention a civil war about to break out, Ayla is going to have to put her plans on hold. As a young queen bears down on the witch and her friends, Ayla finds herself trying to wrangle as disparate a group of misbehaved rebels as ever took up arms. Fortunately she has the famous warrior Kira by her side, helping to impart a little discipline as fate and forces beyond any of their control put every innocent in Lesbia in danger. To save herself and those she loves, Ayla is forced to face a past she thought shed left behind, discover a family she never knew and to find the indomitable strength which exists inside a frail young mortal named Vix, who matters more than anyone imagines. CLOCKWORK GODDESS is a lesbian fantasy novel by Loki Renard.
