

The Loners Thanksgiving Wish (Mills & Boon Love Inspired) (Rocky Mountain Heirs, Book 5)

The Outsider Returns Adopted as a baby, Mei Clayton never felt like she belonged in her family. She left tiny Clayton, Colorado, the moment she could. Now, to fulfill the terms of a will, she must move home for a year. But when she reunites with handsome Jack McCord the mountain-rescue expert she once secretly loved she has to keep her distance. Their relatives have feuded for years. She'll never fit in with the Claytons if she gives in to her feelings for Jack. Unless faith and love can help open hearts in time for Thanksgiving. Rocky Mountain Heirs: When the greatest fortune of all is love.
