

Sabrinas Vampire Book 1 (Volume 1)

Sabrina's life was a mess, suspended from her police job, she ran to Vegas for a break, to escape the torment and embarrassment. She followed this up by getting blind drunk and down an alleyway with two thugs who wanted more than a goodnight kiss! Kyle, a vampire, hears her scream and against his better judgement enters the alley and saves her. As she collapses into his arms he had a deep need to take her home? He never takes anyone to his home! Soon Sabrina is ingrained in him - he can't get enough - can't let her go and just why are his bites not healing on her neck? When he finds out he is shocked - he must keep her - make her stay! Will she? Will this woman stay in the arms of a vampire?! Vampire Erotica Book. Adult Content in this Book!
