

Love Is Grand (A Walk in the Park Book 3)

Experience the grandeur of the Grand Canyon alongside Ainsley Davis as she returns to her job as a park ranger after a hiatus that centered around the birth of her child and the death of her husband. Once an adventurer, now Ainsley flees danger and avoids risks. She enjoys the attentions of Jake, an ex-cop, who goes out of his way to protect her, and she cringes when her old friend Dustin tries to push her back into the adventures of life. Love is a risk, so will Ainsley consider a future with either man?
