

Seduction 1: Book 1 (Strong Young Women Series)

Edited - but no content changes made! Gabriel Boyd was used to getting what he wanted in both his personal life and in business. He didn't get to be a billionaire by taking No as an acceptable answer, until he met Ana Summers who refused to do business with him and sleep with him at the same time. Ana fresh out of college and less than a year in New York where she had moved to with her best friend-Kelly Andersen is living the dream she has always wanted as a little girl. Then she met Gabe Boyd who refused to take No from her and pursues her relentlessly. Can the two compromise? Can they mix business with pleasure?
