

## The Masters Pet (Siren Publishing Classic Manlove)

[M/M Erotic Romance] The world is in ruins, society divided into those who protect and those who need protection. That protection comes at a price, one that Jiri discovers when hes sold to Zane, leader of the Death Dealers. Hes shocked when Zane explains he wants Jiri as his own personal sex pet. But Jiri cant deny hes intrigued by Zanes proposal. He wears the collar and leash Zane provides and prepares himself to be a possession. But the more he gets to know Zane, the more Jiri wants something more. He wants Zane to want him for him, and not just as a pet. But before Jiri can convince Zane of his desire, an attack comes from The Night Dwellers, one that could destroy them both. A Siren Erotic Romance
