

## The Mating Ring (Planet Berserker Book 1)

\*\*\*Originally published in installments, the complete collection is available as LOKI AND IRMA.\*\*\* On Planet Berserker the only way off-planet is to form a mate partnership. The intense sexual energy of the bond doesn't appeal to Doctor Irma Herald, but if it's the price she must pay to attain the freedom of the galaxy, then she'll give her body to a stranger. Loki Smith is a merchant, one of the true Norse. His is a wild world of mountains, ocean and vast savannahs. Left to himself, he'd never leave Planet Berserker. It is home. But Loki's stepbrother is a thief and traitor, and on the run! To restore his family's honor, Loki must catch his stepbrother and retrieve a stolen Norse treasure, but to do so, he must go off-planet. And for that he needs a mate.

Two very different, strong-willed people enter the Mating Ring, but that is only the beginning. The Mating Ring is the first instalment in the Planet Berserker series.
