

The Mating Hunt: Werewolves of Montana Book 2

Welcome to the sensual world of the Lupine, where the burning drive to mate claims all... After a childhood trauma left Arianna Sanders terrified of sex, the only man the pretty Lupine werewolf desires is her fiercely protective guardian. But the sexy, mysterious shifter harbors a dark secret, one he's determined to hide from Arianna. Kyle Morgan hungers for the voluptuous Arianna and dreams of consummating the passion smoldering between them. When he's forced into mating with her to save her life, he must tame the savage, sexual beast inside him before taking the virgin he's vowed to protect from those hungering to claim her, including himself (Warning: This book contains explicit sex and a scene of past m/f/m sex.)
