****With OVER 500 combined five-star reviews on Amazon!**** Now the first three books in the award-winning Community Series are available in one convenient and affordable set. Book one: **THE BLOODLINE WAR** Winner of the Independent Publishers Bronze Medal for Romance. Beneath the streets of San Diego, California, a unique race of human beings called Varcolac lives on the brink of extinction. Desperate to save their dying people, a brotherhood of warriors deploys to the surface to steal genetically superior women for a repopulation program. All goes as planned with the latest abduction victim, Dr. Toni Parthenuntil she inspires a mutiny, and the head of the warriors, Jacken Brun, has his hands full trying not to fall in love with the infuriating woman. Book two: **THE PUREST OF THE BREED** Finalist for the USA Best Book Awards for Romance. Lured to the underground town of Tarana by the chance to earn some big money, Marissa Bonaventure opens a restaurant in the quirky community. But the surreal events that unfold there soon make her wonder if all is what it seems. When the truth comes out about Dev Nichita, her relationship with the smoldering Varcolac is tested to its limits. Then the unthinkable happens: the Topside Om Rau enemy threaten a catastrophic breach of the hidden community and Dev and Marissas chances of being together become a matter of pure survival. Book three: **BLOOD-BONDED BY FORCE** With a single act of unspeakable cruelty, half-demon Pandora Parthen unintentionally binds herself to Varcolac warrior Thomal Costache. Stuck together for life, these two enemies must find a way to live together, and for Pandora, that means paying a penance that lands her in the hell of Otarat, the demon town of the Underground Om Rau. Inadvertently, Nyko Bruns woman, Faith Teague, also ends up in Otarat. Escape is hopeless unless Thomal

and Nyko can pull off an impossible rescue. **Content warning: these books are not intended for gentle readers. They contain profanity, violence, and intense adult situations. Enjoy these paranormal romance vampire books as Kindle Unlimited free books!
