

The Spitfire Series: The Mouth, Lady Boss, Beautiful Assassin

This volume contains the first three books of The Spitfire Series. The Mouth: Shane Flanagan is Prince of the City and all around badass; that is until he comes up against Arianna Rossi the young spitfire with nothing but guts and determination on her side. They butt heads at every turn as they each battle for dominance. Who will be the victor in this tug of war as they circle each other while keeping their enemies at bay? Shane the tough young don? Or Ari the mouthy younger woman with a truck load of secrets? Lady Boss: The mouthy one is back and she's chocked full of surprises; how will bad boy Shane Flanagan, Prince of the City handle the big reveal; how will he react when he learns exactly why Arianna Rossi has been hiding out in his town? Will the closeness they've only just found with each other be threatened by what's been kept in the dark and what is yet to come? Beautiful Assassin: Shane Flanagan Prince of the City and his young lover Arianna Rossi whom he just learnt is actually Princess of the Underworld syndicate of the country are back in this fast paced tale of mob wars, assassinations and take overs. By day the two butt heads because Shane wants her as far away from the violence that touched his life as possible while Arianna believes in protecting her loved ones by any means necessary; but at night when the guns and other weapons of choice were on the nightstand these two hot blooded lovers relieved their passions in each others arms.
