

When the Music Ends (The Hearts in Winter Chronicles) (Volume 1)

What is the sound of a broken heart? How does a fated love rise from a pleasant note to a passionate symphony? Budding musician Erin James knows all too well the noise of neglect and tragedy, and that her infatuation with her best friend Sheridan's older brother, Sean, is doomed never to blossom into something more. Young builder Sean Murphy isn't really in the market for a relationship. He's more interested in helping build his father's construction company. Even if he were, his sister's best friend isn't even on his radar. That is, until Sheridan plays matchmaker. A pity date quickly flares into irresistible passion. But as their love reaches a crescendo, personal tragedies and impossible decisions threaten to end their harmonious, unlikely romance. When the music ends, will the troubled lovers find a way to compose a life together? NOTE: this is a steamy romance and contains graphic sex scenes.
