

## The New Psychology

Do you see a vase? Do you see two faces? After you read *The New Psychology*, you'll see everything a little differently... The Psychology of Success The Law of Abundance The Master Mind The Law of Attraction The Universal Mind The Conscious Mind The Creative Process Vibration Causation Equilibrium Physiology The Psychology of Medicine Mental Chemistry Mental Medicine Orthobiosis Biochemistry The New Psychology Suggestion Psycho-Analysis Metaphysics Philosophy Science Religion Comparative Religion The Great Religious Groups The supreme charm of *The New Psychology* is the practical character of its teachings - the clarity and simplicity of its expression. Unlike many works that attempt to present psychical truths, it is not a tangled skein of disconnected thoughts, but an orderly, logical, and well-reasoned system. The New Psychology - with a synthesis of philosophy, science, metaphysics, and religion - defines man's place in the universe and reveals his latent powers with a vividness that reminds the reader of a lightning flash. The seeker for truth will find in its pages the keys to the treasure house of the world's wisdom.
