

The Night Bird (The Lost Continent)

For centuries the women of Aronsdale have lived freely among the green and misted valleys. Creatures of exotic beauty and sensuality, they possess powerful skills of enchantment and young Allegro is no different. But her life and Aronsdale's independence is threatened when Jazid nomads invade, carrying Allegro into the desert as a prized trophy or worse. Until an unexpected ally falls under her spell. From the moment feared Jazid warrior Markus Onyx sees the alluring beauty, he knows he has found his queen. But even the promise of love cannot quell Allegro's determination to save her homeland. Summoning her powers, she casts herself north out of passion's grip and into the dark heart of conflict.
