

## The Overlords Heir

With his enemy defeated and order re-established, Vaan plans to enjoy the life he's made with his Raasa mate. Mikayla's upcoming birth has his heart singing with joy. Mikayla is preparing for the birth of her first youngling with her mate. This should be a happy time but Vaan must return to Kaban and reassure his people that he yet lives. There are still those not pleased at the turn of events with Thens downfall and seek to claim the Overlords place. Will Vaan and Mikayla finally be able to relax or will trouble continue to follow them?
