RITA Finalist for Contemporary Romance: LongBook Buyers Best Top Pick Award Winner for Contemporary Single Title Romance Nancy Herkness invites readers back to Sanctuary, West Virginia, in Book Three of the award-winning Whisper Horse series. Fleeing professional scandal and a broken engagement, veterinarian Hannah Linden abandons Chicago for the mountain town of Sanctuary, West Virginia, hoping to put her troubles with men and the media behind her. But when she encounters world-famous chef Adam Bosch, she finds herself increasingly drawn to the charming but darkly complex man and his troubled teenage son, Matt. Adam, a recovering alcoholic, fears he can never be a worthy father to the surly, distant boy he has just come to know, and enlists Hannah's help in his struggle to connect with his son. Hoping to coax Matt out of his shell, Hannah introduces the boy to an ailing brown pony who has the power to change his view of the world. But can the determined little whisper horse prove to Hannah, Adam, and Matt that they were meant to be a family?
