

The Pleasures of Summer

Spend a steamy summer evening with Evie Hunter, the bestselling Irish erotica author, and get to know your next obsession...The Pleasures of Summer is a steamy tale of romantic obsession and explosive sexual chemistry that fans of Sylvia Day, Kitty French and E.L. James will love and devour. Fan of Evie's first book, The Pleasures of Winter? Well, the sun is hot and the wait is over...Just who is the tamer? And who will be tamed? Summer OSullivan is rich, beautiful, headstrong - and in mortal danger. Her father has powerful enemies who are targeting his precious daughter. Until the threat passes, Summer must tolerate a bodyguard. Into Summer's gilded cage comes former army ranger, Flynn Grant. Flynn is just as unenthusiastic about the assignment - minding the spoiled daughter of a billionaire is his idea of hell. Unsurprisingly, the sparks fly between them. Even his devastating looks do not make up for how Flynn's rules cramp Summer's style. When Summer misbehaves once too often, Flynn teaches her a lesson that leaves her shattered - and binds them together in a way that astonishes them both. In their secret hiding place they embark on a battle of wills that stretches minds, bodies - and hearts - beyond every limit. But when the dark forces that have been stalking Summer finally track her down, the battle is no longer a game, but a matter of life and death ...
