

## The Prince: A Gabriels Inferno/Florentine Series Novella

The unveiling of a set of priceless illustrations of Dantes Divine Comedy at the Uffizi Gallery in Florence exposes Professor Gabriel Emerson and his beloved wife, Julianne, to a mysterious enemy. Gabriel may have acquired the illustrations only a few years ago, but unbeknownst to him, they were stolen a century earlier from the ruler of Florences underworld. Now one of the most dangerous beings in the city is determined to reclaim his prize and exact his revenge on the Emersons--but not before he uncovers something disturbing about Julianne...
