

## The Princes Heir

THE PRINCES BRIDE When Prince Stephan Reynard swept into the tiny Texas town to lay claim to his royal nephew, he never dreamed the boys adoptive mother would prove so resistant so alluring. Seemed not even a kings ransom could convince the spirited Western beauty to part with the cherished heir shed once cradled in her loving arms. Seemed, too, that for all the princes blue-blood wealth and station, Mandy Crawford saw him simply as a man though the feelings she stirred in him were anything but simple. Because increasingly his mission to produce the precious monarch was turning into a mission to woo and wed this uncommon woman.
