

Blood of the Alpha: Part One

Standalone story - NO CLIFFHANGER!
This story is part of the Full Moon Rising world, but can be read on its own! Carter Tripp is a lone wolf. No family, no lovers, no connections that's how he's always lived. He works night shifts as a security guard and turns into a monster under the full moon. No harm, no foul. Until trouble lands on his doorstep, and he suddenly has the urge to protect the woman who obsesses him the woman who could be his long-awaited mate. Rebecca Masters never expected the biggest, most dangerous man she's ever seen to walk into her ER. But she can't get him out of her mind, and her nice, tidy life is about to get messy. Especially when she's targeted by criminals, and the only man who can protect her is the wolf shifter who is half beast
