

Quest for Magic (Songs of the Mages Book 1)

Jonathan thinks he can easily lure Hayley into his bed. After all, she's an actress, isn't she? But Hayley has never allowed a man near her, and she's not about to break her rules for the man known as the London Lothario. She refuses to even speak to him, even though he's her neighbor. It takes patience and a kind of longing Jono never knew to get her to accept his dinner invitation. When her young sister comes to visit she is pursued by a pedophile. Jono must try to save them all, hoping that if he can do so Hayley will see the man he can be. And then the pedophile focuses on revenge and Hayley.
