

## Colorado Bodyguard (The Ranger Brigade)

The rugged terrain of Colorado wouldnt make their mission easy. Nor would the attraction between them. Sophie Montgomerys sister was missing and her trail stopped dead in the Black Canyon which was firmly in Rand Knightbridges jurisdiction. Part of the Ranger Brigade, he could lead Sophie on a search deep into this remote part of Colorado. Although afraid to disappoint the desperate beauty, Rand couldnt ignore her determination. But it was clear she needed protecting after shots rang out and Sophie barely escaped with her life. Now, as the job hed reluctantly agreed to became a very personal mission, Rand knew hed do anything to bring Sophies sister home. Because seeing Sophie happy was the only outcome hed allow. Or accept.
