

Reckless Together: A Contemporary New Adult College Romance (Reckless series Book 3)

The stunning conclusion of Ellie and Logans love story that began on a hot August night in Reckless Longing and continued through the depths of winter in Reckless Secrets...Ellie My mother is a liar, a seductress, a keeper of family secrets, and a master manipulator. She took Austin from me. Now she claims she wants forgiveness. But shes after Logan. I know she is. He thinks he can protect me from her. I love him for trying, for playing hero, but he doesnt know her like I do. Shell charm him until he lets his guard down and then shell strike so quickly hell never see the attack coming. I may already be too late to stop it. Logans love is essential to me, like sunshine and deep nurturing breaths. Hes my all. I cant live without him. But theres so much standing in the way of our happiness. As dangerous as she is, Mom is the least of my worries. Im fighting the darkness Logan is struggling with, the upcoming trial, his family, and sometimes I even think Im fighting a phantom of myself. But I wont give up. Ever. LoganI wish I could make El understand how much I love her, but Im losing control. She makes me lose control. Since the abuse, that scares me shitless and brings back the guilt and the memories I want to erase. Things that have nothing to do with El, and everything because they affect the man I want to be for her. I cant face losing her. I dont want her to hear the ugly truth about me, but I have to testify. I have to, even though Im risking everything and fighting my dad and myself to do it. After its over, will El still love me? I have to help her reconcile with her mom. Then maybe shell understand. This is a contemporary romance with mature themes, language, and situations. Readers should be over 17! Interview with the AuthorQ The Reckless Series of New Adult Romance is an interconnected series with your Rushed Series, what does that mean?A The Reckless Series is a trilogy of

new adult contemporary romances that follow the same couple, Ellie and Logan, throughout. The Rushed Series books are standalone romances showcasing a different couple each book, with the featured couple from previous books continuing as minor characters in future books. The romances take place on the same university campus during the same school year as the Reckless Series. Many of the favorite Reckless Series characters make cameo appearances. Whats even more fun is that the Rushed Series contemporary romances contain scenes that werent shown in the Reckless books. Theyre told from the perspective of the Rushed Series characters so you get an outside view of the Reckless faves.Q - What order should I read the books in?A - You can read either series of womens new adult and college fiction first. Thats totally up to you. The Reckless books should be read in order. The Rushed books can be read in any order. If you do want to read the books in the series in order, Id suggest the following sequence:For the Reckless Series:- Reckless Longing- Reckless Secrets- Reckless TogetherFor the Rushed Series:- Rushed- Crushed- As yet untitled Book Three (hint: It will probably rhyme with Rushed and Crushed) January 1015Hope you enjoy them all. And thanks for reading!
