

The Redemption of Roan (The Syndicate Series) (Volume 2)

Roan Diamonds loyalty to the family may be obligated by blood, but nobody ever said he had to love them all, right? As the next in line to head the Diamond dynasty, he has loose ends to take care of, and one of those is his brother Royal. Yet his plans for revenge fall apart the minute he lays eyes on AlinaRoyals ex-girlfriend, who also happens to be the daughter of the rival Solokov family. As a mafia princess, Alina Solokov knew it wouldnt be easy when she made the decision ten years ago to leave the family for a new life at a college in Englandbut betrayal is often a dish served cold by those who you love the most. Now, back in the United States after a job offer that she couldnt refuse, her new found strength is pushed to the limits when Royal returns to claim her for his own. When the man who captures her heart amongst the chaos is front and center in a lifestyle she swore never to return to, can she hold her ground and fight being sucked back into the black hole that is the mafia underworld? Or will Roans love be worth the ultimate sacrifice?
