

The Redhead Revealed (The Redhead Series)

The sexy follow-up to Unidentified Redhead from USA TODAY bestselling author Alice Clayton is a magical mix of humor and heat so cuddle up under the sheets; Grace and Jack are at it again! LONG-DISTANCE LOVE JUST GOT HOTTER! Life is sweet. Grace Sheridan has just won her dream role in a new off-Broadway play, and the talented hunk flooding her phone with scintillating texts and scandalous photos is Jack Hamilton, the twenty-four-year-old it Brit whose Hollywood career is about to climax faster than ... you know. So what if their steamy relationship is bicoastal and under wraps, or that L.A. fangirls are grabbing Jack's ass? Absence does make the heart grow fonder and the libido hotter, but their few weekend visits feel more like fast food than the five-course dinner they crave. And then the creator of Grace's new show is the man who broke her heart back in college, and he seems to have written the play just to make amends with his leading lady. As rumors spread that Jack and his lovely, leggy ex-girlfriend have gotten back together, Grace starts to wonder about her own feelings. Can lust alone keep our favorite, feisty duo together, or will Grace find herself back in safer, more familiar arms?
