

The Revelation of Yshua HaMashiach - A Full Hebraic Perspective

Without being arrogant, egotistic or big headed, but this book is going to blow your mind! This book takes you verse-by-verse through the entire Book of Revelation. The two core themes are the fascinating revealing of Yshua as the Lion of Zion!, and the second is the great mystery which YHWH Himself said was hidden in deep mystery from the foundation of the earth the restoration of the Lost Sheep of the House of Israel. Meaning the re-gathering of the Lost Ten Tribes as awaited by the Yahudim (Jews) from the House of Judah, to fulfil prophecies for the restoration of all things (Acts 3:21, Jer 31), just before the Second Coming of Messiah Yshua!!!

What makes this book a best seller is the fact that it is not written as all the other Revelation books with one-sided opinion, no, it gives various Hebraic theories on many topics and you choose the theory as YHWHs Ruach (Divine Spirit) reveals to you, for example: There is no Pre-Trip Rapture and, there is a Pre-Tri Rapture (or Mid-Trip). The Bride will go through the Tribulation and will be protected by YHWH as in the Wilderness and, or the Bride will be removed to the Heavenly Chuppah and escape the Tribulation hour. (Both narratives will consistently flow through the book and be backed by Scripture). The length of the Tribulation, seven of three and a half years. The various theories on the dragon with the seven heads and ten horns. Islam is awaiting Jesus the Jew (Eesa) to return as Messiah in their writings and he must make his appearance in Damascus. Daniel prophesied that the Antichrist will appear from north of Israel. Isaiah calls the Antichrist the Assyrian. Will this man fulfil the prophecies of Islam, Judaism, Christianity, Hinduism and Budaism and be accepted by all as the Messiah but turn out to be the Antichrist? Theories will be given that the Antichrist will be a literal man, and also as a system, i.e. the Roman

Catholic system and the Club of Rome which divided the entire planet into ten regions (Rev 17) to manage it better. And a host of other topics This is a first-off FULL HEBRAIC perspective (247 A4 pages) as seen through Yshua the Jews eyes that gives you as reader the various theories which neatly fit into HRTI's motto, We Inform, You Choose. In conclusion, many had sought to predict the cause of human events, but none have had the incredible accuracy of the ancient prophets! Did you know that prophets thousands of years before Yshua's actual birth spoke 65 prophecies over His birth, life, death and resurrection, concerning His First Coming? Did you know each and every one of these 65 prophecies was literally fulfilled with unprecedented accuracy? That is why all the prophecies on Yshua's Second Coming will also be literally fulfilled with unprecedented accuracy in the very near future! You need to read this book as Yshua's return is imminent! Brace yourself, this book will challenge and encourage you. Make sure you distribute it to your loved ones without delay!
