

Obsession: The Stalker Series, Book 1 (Volume 1)

The first time I saw Abby Osborne, I knew I had to have her. Plans for our future took on a life of their own. I want to own her. I want to breathe her. I want to see her smile. I want to see her cry. But, more than anything, I want to watch as panic seizes her immobile. I need to see the look on her face when she realizes, the man she couldn't spare a second at, is the one who will love her so fiercely that she'll never be the same. Now, until the time comes for our happily ever after, I'll be forced to endure the hell of witnessing her stumble through the life she doesn't know she's about to lose. She. Is. My. Obsession. *** This book is not intended for readers under the age of 18. This book contains adult situations, drug use, drinking and some hot sex. These characters are not perfect, nor do they try to be.***
