

## Brando (The Santini Brothers Book 2)

Death and sex on two legs ... BRANDO is coming for you. Dark, brooding, and one hell of an asshole, Brando walks through life taking what he wants and who he wants, whether they like it or not. And he wants Ivy, the second in command of the Vipera team of female assassins. Having been owned before, Ivy tries to resist Brando, who is just as deviant as her former master, a notorious human trafficker called the Black Russian. But after discovering Brando's devastating past, she sets out to get to know the real man behind the beautiful face: a tortured soul with secrets to die for.
