

A Scent of Jasmine

In the wake of a bitter divorce, Andrea Dusseaux flees New York City to help an old friend in Phoenix run her restaurant. Still burnt out on men, Andrea is surprised by her attraction to Madison McKee, a successful attorney who makes no secret of his intentions to pursue her. As her feelings for him blossom into love, Andrea is shocked to discover that Madison represents a developer who plans to demolish her friend's Victorian house restaurant. Andrea must now decide between siding with her friend or fighting for Madison's love in this taut romance novel that is enriched with memorable characters and stylish prose.
