

## The Scorecard at Work: The Official Point System for Keeping Score on the Job (An Owl Book)

The last career book anyone will ever need! At last, after all those books on clawing your way to the top, heres the real truth about the good and bad moves made in the workplace that determine ultimate success or failure. You ask interviewees penetrating philosophical questions. +10 If you could be a tree, what kind of tree would you be? -10Do you think Im cute? -50 You nickname your office. +5 The Cave. -10The Cool-bicle. -45You volunteer to organize the softball team and company outings. +5 You call yourself the company funmeister. -20 Its much easier than your actual job.-60 From your trumped-up resume to the disastrous company picnic, and covering every aspect of working life including meetings, office antics, fun with machines, and the right and wrong way to ask for a raise, Greg Gutfeld focuses his trademark point system on the place where we all spend the biggest part of our lives.
