

Sex on the Beach Book Club

Shes a sharp-tongued, rebel P.I. who eats idiots for breakfast. Hes a sexy bookstore owner who may or may not be a womanizing killer. Then again, nobodys perfect ... Holly Hillbay is a kick-ass rule breaker with an 80s jacket-sized chip on her sexy shoulder. Want a piece of her? Get in line, pal. What Holly loves most is her job as a P.I. Bringing in pond scum who cheat on their wives makes her day. Like this guy, Wes Brockman, owner of Books on the Beach. Apparently, hes slipping between the covers with another mans wife. Joining Wess cozy book club is the perfect way to get close to him and expose him for the lying, cheating, pseudo-intellectual creep that he is. He probably wears a turtleneck and a beret. Or not ... Problem numero uno: Wes Brockman is one seriously sexy hunk of man who fires up Hollys dormant libido faster than she can say, Ill take this in hardcover The guy should come in a home game version. Plus, hes made it clear that Hollys in-your-face attitude is a total turn on. Gulp. Holly doesnt think Wes is having an affair-not yet, at least (note to self: bikini wax ...) -but shes pretty sure the mysterious, dangerous vibe he gives off is no act. Hes hiding something, and she intends to find out exactly what it is ... especially when one of the book club members is found dead in the stores meeting room. Now, with a page opened to secret identities, blackmail, betrayal, murder, and sex on the beach (the drink) and, well, sex on the beach (not the drink), Hollys into a case that is anything but by-the-book and one thats riskier, hotter, and more delicious than she ever dreamed possible ... Jennifer Apodaca grew up in southern California and still makes it her home. She loves creating characters with attitude and then getting them into all kinds of trouble. The unlimited support of her husband and three sons has made writing a joy. Jennifer is hard at work on her next
