

Hunting the Alpha Billionaire (A Sweet Valley Shifters Romance)

The arrow was nocked and the Alpha wolf was in my sights. Would I be able to take him down, or would he take me? Im ready to rid my town of this wolfpack. Its a nuisance, and who knows what they are capable of? Besides, Sweet Valley is becoming a haven for rich folk, and having a marauding wolfpack isnt helping my family, my farm or the economy here. People like Channing Ferrell, gorgeous billionaire, are the ones that will save Sweet Valleys prospects. And maybe mine. I havent let myself get this excited about a man since my last breakup. To be honest with myself, Im more excited than ever. Ive never felt this kind of primal attraction. Will the hunter become the hunted? Hunting the Alpha Billionaire is a stand alone novella in the Sweet Valley Series. It contains adult themes and sweet sexual content.
